Nisga'a Wilps Ni'isjoohl Memorial Pole

Have you located sacred and/or ceremonial items (e.g. regalia) outside of Canada that belong to your community?

Are you interested in returning these Indigenous cultural items to your community in Canada?

Will there be protocols to follow or ceremonies for the return of those items as they travel home?

Will you or a delegation be travelling abroad to repatriate Indigenous cultural items?

The Indigenous Affairs Secretariat at the Canada Border Services Agency can help!
